IV. DISCUSSIONS

The team discussed how to divide up the responsibilities of the Project proposal. Also, we made sure that every team member had access to the GitHub repository for the project. Finally, we discussed a meeting time for our customer, Dr. Yelemarhi and our supervisor, Dr. Roberts.

V. DECISIONS

The team decided to meet with the team one more time before meeting with the customer and supervisor. We also decided to start on project proposal with what knowledge we already have for the project.
